

PLANNING ADVISORY GROUP

I. Terms of Reference

PAG's terms of reference are on the PC website under WPC Advisory Groups.

- 1) No correspondence or discussion takes place with planning applicants or anyone else with an interest in the application.
- 2) The group is non-partisan. It does not lobby for particular outcomes and cannot enter into disputes between applicants.
- 3) Applications are assessed on the basis of the information presented and the relevant planning policies. PAG views sites from the nearest public footpath or highway where it can and where it is relevant.
- 4) PAG does not usually comment on small variations of detail to approved applications, nor to applications relating to trees.
- 5) Applications are reviewed by at least three members of the group, usually more. Members with an interest in an application absent themselves from its consideration.
- 6) The deliberations of the group are confidential but all reports are posted on the WPC website.

PAG reports are published on a dedicated webpage once the Parish Council has included them in the published Agenda
