

Request for hire of the Playing Fields

Parish Council meeting – 5th May 2021

Item 20

“We are searching for a field in which to hold our daughter’s belated 21 birthday party. We’d like to put up a marquee (and portaloos) and we just wondered if by any miracle that might be possible to do on the Walberswick playing field on the common lands (I hope I’m describing it right - the big field near the playground). The night we are looking for is 31 July and we would obviously pay for the privilege. We have a cottage in the village (but sadly no field!) which is why we would love to do it here in Walberswick.”
